Therefore, Bidder request to kindly add mobilization and demobilization.	Tender condition shall prevail

5	8.0 TIME OF COMPLETION 8.6 Permissions from Authorities & ROU Acquisition	127	Time schedule from the date of LOI/WO (in weeks) 22 & 24 Weeks	Here, we would like to request you to kindly consider more time for Permissions from authorities and ROU acquisition. Crossing Permission of Railway / NH / Forest attracts more than 6 months' time. Here, the time schedule starts from date of LOI/ WO which shall be from after finalization of Detailed route Survey or after 12 weeks. Further for ROU work, publication of Gazette takes at least 2-3 months and after that Notice Distribution and after final notice is distributed 21 days' time to be given to farmers for objection. And after disposal of Objection 6(1) shall be sent to MOPNG and it will take again 2-3 months for Gazette publication. Therefore, there is 9 months process time for ROU acquisition.	Being a Priority Project Tender condition shall prevail
6	9.0 PAYMENT TERMS AND MODE OF PAYMENT 9.2 The Payment terms for Execution of Work	127	The Payment terms for Execution of Work (Payment Schedule)(%)	Here, it is mentioned Payment Schedule in percentage (%) 1. Reconnaissance Survey 5% / 30% / 60% / 10% Total = 105 % 2. Population Density Index 5% / 50% / 40% / 10% Total = 105 % 3. Detailed Route Survey 20% progressively / 60% / 30% / 10% Total = 120 % 4. Topographical Survey 15% progressively / 60% / 30% / 10% Total = 120 % 5. Soil investigation 15% progressively / 60% / 30% / 10% Total = 120 % 6. Cadastral Survey 5% progressively / 60% / 30% / 10% Total = 105 % 7. Permissions from Authorities 5% progressively / 60% / 30% / 10% Total = 105 % 8. ROU 20% progressively We understand it will be 100% in total and only some typo error please confirm.	Bidder understanding isn't correct. The First heading is total %age of payment against the activity. Balance are break up of payment activity wise against the total %age of payment.
7	Clause: 8.1.1	08	Bidder shall have experience of successfully carried out and completed Detailed route survey for hydrocarbon pipelines including Reconnaissance Survey, Detailed Route Survey, Cadastral Survey, Soil Investigation/ Corrosion Survey for pipeline and Scour analysis for rivers. Bidder shall also be experienced in obtaining permissions from various authorities for crossing approvals including Railway, National Highway, River, Forest & Wildlife Permission and Providing ROU acquisition services as per P&MP Act under single contract for minimum length of 30 km for hydrocarbon Pipeline in any of the last 7 (Seven) years to be reckoned from the due date of bid submission.	Sir, we have experience in route survey, Reconnaissance Survey, Cadastral Survey and Final location survey (FLS) for urban & another sector for Govt and PSU Clients except hydrocarbon pipeline. We have conducted cadastral survey of utilities which includes pipelines, & river, etc. Only limited firms have experience in hydrocarbon pipeline work. Therefore, being a start-up firm, we request you to please amend the eligibility condition so that a greater number of bidders can participate in the bid as it is an open tender. Also, you may ask the bidder to demonstrate the survey of small portion of overall scope of area, only after that work will be awarded to the successful bidders.	This is a priority project. Tender Conditions shall prevail.
8	-	-	-	Is the JV allowed for bidders?	JV isn't allowed for bidders.
1. Bidder to submit signed and stamped copy of this Reply to Pre-Bid Queries along with Un-Price Bid .
